OVERVIEW

LEVEL THREE

LEVEL THREE

The architectural floor plan of Level Three shows a complex layout. On the left is a circular auditorium with tiered seating. To its right is a long, narrow corridor or hallway. Further right is a large, open rectangular hall with a grid of columns. On the far right, there is a large, irregularly shaped room with a curved wall. The plan includes various rooms, corridors, and structural elements like columns and walls. The title 'LEVEL THREE' is centered at the top in a large, bold, sans-serif font.
